MATERIAL FURNISHED: Contractor to pickup at GPO. .

One CD-ROM generated on a MAC computer system version OSX, using Adobe InDesign CS2 software. Files supplied in Native format and Fonts are furnished.

One GPO Form 952 Desktop Publishing - Disk Information.

One composite color laser trimmed & folded to be used as a visual guide.

DIGITAL AND REPURPOSED DELIVERABLES FOR SUPT DOCS: The contractor shall furnish for the Superintendent of Documents, the following files which shall be an exact representation of the final finished product: (1) a copy of the final production native application files (digital deliverables) and (2) a single, searchable Adobe Acrobat 6.x (PDF v 1/5) file (repurposed deliverable) (no hyperlinks, video or any other dynamic features) created from the final production files. PDF files must be distilled at press quality. These files must be furnished on CD-R written in compliance with ISO 9660.

Prior to image processing, the contractor is responsible for performing a basic check (preflight) of the furnished publishing files to assure accurate output of the required reproduction image. Any errors, media damage or data corruption that might interfere with proper file imaging must be reported to the contract administrator in sufficient time to comply with the shipping schedule.

In addition, the contractor is responsible for creating or altering any necessary trapping, setting proper screen angles and screen frequency, and defining file output selection for the imaging device being utilized. All furnished files must be imaged as necessary to meet assigned quality level.

The contractor shall make all revisions to the electronic files.

Prior to making revisions, the contractor shall copy the furnished files and make all changes to the copy.

Upon completion of each order, the contractor must furnish final production native application files (digital deliverables) with the furnished material. The digital deliverables must be an exact representation of the final printed product and shall be returned on the same type of storage media as was originally furnished. The Government will not accept, as digital deliverables, PostScript files, Adobe Acrobat Portable Document Format (PDF) files, or any proprietary file formats other than those supplied, unless specified by the Government.
